

Corporate Members

1. Who are Corporate Members? How can I become a Corporate Member?

Corporate Members are employees of companies that have partnered with Healthji™ for Advanced Health Prevention Services.

You may become a Corporate Member if your employer wishes to enroll in our services. We can be contacted at customer_service@healthji.com

2. I am a Corporate Member and have forgotten my Password.

Click on "[Forgot your Password](#)". You will immediately receive your password at your registered email ID.

3. What is my Group ID? How do I retrieve this?

Your Group ID is a unique number or name assigned to your company. You may retrieve this by contacting the HR department of your company or writing to us at customer_service@healthji.com with a mention of your name and the company you work with.

4. What are the advantages of having a Corporate Account?

Healthji™ is an established provider of various Health Prevention Solutions by providing access to Health Risk Assessors, Lifestyle/Behavior Modification Modules and Live Access to Health Experts.

As a Corporate Member you get access to a number of our services and products at a discounted price.

Healthji give you the tools to have a Good Health and Good Life

Individual Users

1. What is Healthji™?

Healthji™ is an organization that focuses on helping individuals to increase their awareness of Good Health Practices. We enable you to TAKE YOUR HEALTH IN YOUR OWN HANDS.

2. I forgot my password. What should I do?

If you are an existing member and have forgotten your password, just click on "[Forgot your Password](#)". Follow the process and you will immediately receive your password at the registered email ID.

3. What do I get upon registering as a User?

You will gain access to many modules (e.g. Health Quiz, Wellness Library, HealthAge, Family Health History, Personal Health Record etc) of the website, and can choose to receive regular communication and newsletters on Tips and Articles to improve your Health Quotient.

4. I have not registered with Healthji. How do I sign up?

Click on [Login](#) and just enter your information in the "New Members Section" and select "Join Now".
